Dear Members and Friends of the Annisquam Village Church,

For many years each Memorial Day weekend, we have held a "Seasons of Life" worship service. It is an opportunity for us as a community to remember our loved ones and their sacred passages (baptisms, weddings, memorial services), especially those held in our beautiful sanctuary in the last year. We are delighted to host this beloved tradition on Sunday, May 28th at 10 a.m. in the sanctuary and on Zoom.

To make this service especially meaningful, you are invited to request readings, prayers, and music that touch your heart with memories of your loved ones and their important threshold moments. You are also encouraged to send a photo (jpeg or ping) to me at capeannrevsue@gmail.com to be included as part of our worship service.

Please return the attached page to us by Tuesday, May 16th with your requests.

Gathered as one community, we will celebrate the enduring gifts of love that make life meaningful and beautiful.

With every blessing,

Rev. Sue Koehler-Arsenault
